

Consarc Experience Seminar 2014

We are pleased to announce the selection of the Wyndham Orlando Resort in Orlando Florida as the site of the 2014 Consarc Experience Seminar. We have chosen the dates of Sunday May 18th through Wednesday May 21st 2014 with the technical program beginning at 8:00 am on Monday May 19th. The Wyndham Orlando was chosen for many reasons including its proximity to a great number of world renowned entertainment attractions such as Arnold Palmer's Bay Hill Golf Course, SeaWorld, Universal Studios Orlando and Walt Disney World. As an international tourist destination Orlando is easy to access and hosts an enormous variety of shopping and dining options as well as close proximity to NASA's Kennedy Space Center in nearby Cape Canaveral. We hope that you are as excited as we are that next spring Orlando will host the 2014 Consarc Experience Seminar and hope that you will join us there.

We have secured an excellent room rate of \$159 for seminar guests. Upgraded rooms are available at an additional cost. The Wyndham Orlando Resort has graciously extended this rate for the three days preceding and following the Consarc Experience Seminar for those who want to take advantage of what Orlando can offer.

We are still in the process of selecting our committees, chairpersons, and finalizing the program and topics. Please let us know if you have any particular topics you want us to address or chair nominations you would like us to consider. Please remember, this is your conference, we need your participation to make the technical program as useful as possible to all attendees. We look forward to seeing you in Orlando and trust that you will "save the date" and join us at what promises to be another fantastic experience seminar.
